

Trados Studio Level 2 eLearning QA Check and Term Verifier

The QA Check and Term Verifier eLearning course provides an overview of how to configure and use the QA Checker and Term Verifier.

TARGET AUDIENCE

This course is for translators who already have some experience using Trados Studio and want to improve their expertise in the use of the product.

LEARNING OBJECTIVES

This eLearning course will illustrate how to configure the QA checker settings and the Terminology Verifier and use these to perform verifications during or after the translation process.

COURSE DURATION

The course is 30 minutes in duration and can be viewed and then used as a post-course reference tool.

COURSE DETAIL

The course will cover the following topics:

- What is QA Checker 3.0?
- Configuring QA Checker
- Configuring Terminology verification
- Using verification during translation
- Verification after translation
- Loading a QA Checker profile
- Correcting the mistakes

DELIVERY

This eLearning course is hosted in our RWS University learning portal. Each user will be given individual access to the course and will be able to take it at their own pace.
