Trados eLearning Customer Requester training

This Trados eLearning course for Customer Requesters provides an overview of how to process a project within the Customer Portal of Trados Accelerate and Trados Enterprise.

BENEFITS

This Customer Requester eLearning course enables users to get up to speed and start using the application quickly and efficiently.

DELIVERY

This eLearning course is hosted in our RWS University learning portal. Each user will be given individual access to the course and will be able to take it at their own pace.

COURSE DURATION

The course is 30 minutes long and can be viewed and then used as a post-course reference tool.

COURSE DETAIL

The course will cover the following topics:

- Key areas and activities available via the Customer Portal
- Project creation and tracking
- Project delivery
- Project dashboard and analytics
- User settings
